DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview John Veschi on 10/16/2007.
3. The application has been amended as follows:
4. Claim 9, line 8, add "in substantially real-time" after therewith.

Response to Amendment

5. Claims 1, 2, 8-10, 21-32, 34-40 are currently pending in application 09/507,062.

Allowable Subject Matter

6. Claims 1, 2, 8-10, 21-32, 34-40 are allowed.
7. The following is an examiner's statement of reasons for allowance:
8. As per independent Claims 9, 23, 37, and 40, generally the prior art does not teach or suggest a method/system for resolving a dispute, wherein a third-party is involved (input/interaction) in resolving the dispute in real-time via an on-line connection.

9. **NevadaBusiness.com** (“**NevadaBusiness.com to Host Online Mayoral Debate.**”

Business Wire April 26, 1999) teaches a method (system) of resolving a dispute, comprising: (a) at least one of a plurality of parties to the dispute (Mayoral Candidates) providing, via an on-line connection (online debate), an input relating to the dispute (answers to questions, spontaneous and pre-set); (b) interaction involving at least one of the parties to the dispute (Questions relayed to candidates, in online Chat format), and (c) interaction, occurring in substantially real-time, between a third party and at least one of the plurality of parties to the dispute (Las Vegas Public asks questions directed towards Mayoral Candidates in Chat (RTC) format).

10. However, NevadaBusiness.com fails to teach or suggest *wherein the dispute is resolved in real-time, based on third-party input and interaction.*

11. **Sloo (US 5,895,450)** teaches a method/system for resolving a dispute, wherein a judge and juror (third-party) are pre-qualified to assist users in resolving a dispute via an online connection (C8 L5-18).

12. However, Sloo fails to disclose wherein the *dispute is resolved in real-time via and online connection.*

13. Furthermore, a combination of NevadaBusiness.com and Sloo fails to overcome all the deficiencies of the prior art considered separately.

14. The remaining dependent Claims 1, 2, 8, 10, 21, 22, 24-32, 34-36, 38, and 39 are considered allowable, as they are dependent on an allowable independent claim.

15. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany

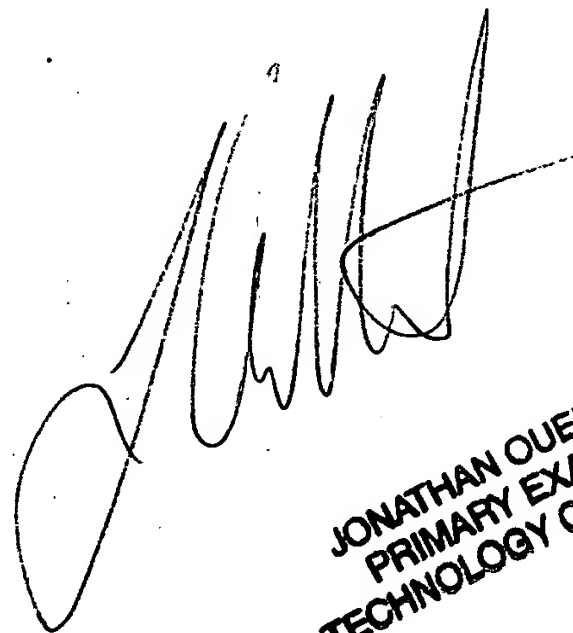

Art Unit: 3629

the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
